Grain & Glass is a renowned whisky bar and tasting experience company situated in Birmingham's historic, Jewellery Quarter. Within our stunning building, you'll find a library of 350 whiskies from all over the world, a private tasting room where we host our whisky tasting sessions, and a team of whisky specialists who are some of the most knowledgeable in the UK.

### WHISKY TASTINGS

We offer three types of whisky tasting sessions, giving choice to whisky-lovers and beginners alike. Our fun but informative approach breaks down long-held beliefs and helps guests understand how whisky is produced around the world.

There are a number of timed sessions available from Wed-Sat. If you are a group of 1-8 you'll be part of a larger group, and if your group is 9+ the session will be private.
